DATED 6th March 1903

From

Deputy Commissioner,

To (
1. Chinnaswami Mudaliar Esqre.
Deputy Secretary to the Government of Mysore - Bangalore
- Department. —

Sir,

I have the honour to state
that Dommaraja Mudaliar Venkataraya
Chinnaswami Mudaliar the Peregalli
village in the Bangarpet Taluk
in receipt of a monthly allowance
of Rs. 1-8-0 from Government.
The latter committed the murder
of Venkatappa the Venkatapura Peregalli,
Chikkaballapur Taluk, Chinnaswami, Govin-
daswami and Siddappa in which
victims, and of Muniyappa, Poonakondu,
Kantaiah and Honnaswamy all in Mr.
Hagadur village. In consideration

of the incumbrances of the temple, the Government in their Proceedings No. 36 - I dated 10th July 1899 Sanctioned Rs. 71 for the repairs and outstanding for Rs. 1000/- Expenditure Rs. 1000 / - was remembered by the Executive and the Assistant Commissioner 12 - was sanctioned from State funds. This work has been almost completed and the final measurement bill will be submitted shortly.

The Government allowances received for this temple being very small, the Pandaram and Sivachariyar of the village, Velumandali of whose care deities of the temple are forging as 'Kovukke' of Rs. 241-8 - are receiving the contribution out of their profit allowances. —

3 The funds of the temple also receive substantial support by voluntary 'Kanikai' received for deities and also keeping during the annual festival are held in the month of Thirukarthigai (May) every

year. The receipts under this head, for the first two years amounted to about Rs. 203 and 225 respectively.

4 In January 1901 the Collector of Bagepalli brought to the notice of the Sub Division Officer, that a very large number of cattle were brought for sale during the Kathi-Ahavara fairs and suggested, that a small fee of 1 annas for bullock and ½ annas for calf may be levied on them for the benefit of the temple. The Sub Division-Officer thereupon ordered the levy of the above fee as a temporary measures for 2 years. Accordingly the fees were collected on the occasion of the Kathiahavaras in the years 1901 and 1902, with the result that in 1901 Rs 358-1-6 were collected on 4951 bullocks and 1557 calves; while in 1902 Rs 448-4-6 were collected on 6477 bullocks and 1391 calves.

5. The Savings Bank interest, ... received the credit of the institution amounts to Rs. 1710-11-2 (on 15th June 1902, which corresponded in the Malik Savings Bank in the name of the Devildar of the Jakhs. —

6. The Government have in their Proceedings No 1009 dated 25th March 1901 appointed of persons as Dharmadarsis of the Temple. —— At present the annual receipts of the Temple derived from the sources explained above, are being utilized for the Deepdhara — Nerthotsava and other expenses of the institution, on a scale fixed and settled by the Committee of Dharmadarsis under the direction of the Devildar. The Devildar now requests that a regular scale of charges amounting to Rs. 232-7-3 per year may be sanctioned by Government for the daily and periodical expenses of the Temple the amount being

not from the Kamilis fraid by Padelo
and Shaubhoy, and from the collections
made during the Jatra from
Kamilis, cattle fraise. Judging from
the experience of former years, I am be-
-lieved that the total collections
on the occasion of the Jatra will
not be less than Rs. 600/ five hundred.—
The Kamilis fraid by the Padelo
and Shaubhoy may for the pre-
-sent, be considered as a fixed item
of receipt as well as all the Padelo
and Shaubhoy have bound them-
-selves to continue the allowance
and the Amildars feel confident
that they are not likely to
withhold fraipient on any grounds.—

7 Under the above circumstances,
I beg that the Government may be
pleased to sanction the levy of
fees on cattle on the occasion of the
Kathas were every year and the rate
of one anna per bullock and ½
anna per cow to be temporarily

Ti with best good results for the first two years. — Subsequent that the annually voted sums of expenditure proposed by the Guilds are to be sanctioned. As the receipts are however fluctuating and not fixed, the Senate is to keep to its estimate of the expenditure after the first two years, so that the surplus of the receipts of that year, as at present, may be utilized for the current charges but may be utilized for works of a more permanent nature.

Sir,

With reference to your docket No. 2445 dated 2nd June 1903, calling for certain information in connection with Gadidam Venkataramana-swami temple in the Bagepalli Taluk I have the honor to state that the owners of the lands on which the cattle-fair is held during the Ratotsava have executed muchalikas stating that they have no objection whatever to the cattle being picketted on their fields provided the manure collected on the occasion is given to them free of cost.

2/ As regards the payments of

Paditara

paditara, the Patels and Shanbhagues of the Taluk have bound themselves to pay their promised contribution every year without fail. Considering their devotion to the temple, there seems to be no reason to apprehend that they will make default in payment. The receipts from the above source and from the collections during Rathotsavams will far exceed the Paditara allowances, according to the revised scale now proposed for sanction. Nevertheless to be on the safe side, I have recommended that the Paditara allowances paid every year should be limited to and not allowed to exceed the receipts of that year. Subject to the above condition, the revised scale may be safely sanctioned, without the savings at the credit of the institution being trenched upon for the usual annual charges.

3/

A sum of Rs 850/- was realized on the occasion of the Rathotsava held in May last. Of this Rs 548 was derived from fees on cattle, Rs 185 from shops, and Rs 117 from Kanikés (presents by devotees).

4/ The Vernacular records of the case are herewith submitted for reference.

I have the honor to be,

Sir,

Your most obedient servant.
